Thanks for chatting Kathy. Attached is the revised plan **Ex. 5 Deliberative Process (DP)** I also changed the date of the AA letter to state commissioners and the tribal consultation letter to go out in "October 2018" instead of next week. I plan to share this with OPA and OCIR as a FYI. Happy to provide assistance with the next set of letters, too.

Allison, a few comments,

Ex. 5 Deliberative Process (DP)

As for Dave reviewing all the slides. For the one we will invite him to attend and give opening remarks at sure. we will use the same slides for the other meetings. we will send them forward once we have all else finalized.

Thanks. Kathy

Hi! I made a few tweaks to our rollout plan (see attached, highlighted sections on pg 2), mostly reflecting the dates we have in mind for the tribal listening session in Denver and the state face to face mtg to occur either on 10/31 or 11/1. I also changed **Ex. 5 Deliberative Process (DP)**

Ex. 5 Deliberative Process (DP). Lastly, after conferring with Andrea, we have a recommendation for the proposed public webinar on 404G (see my comments in the plan). Eager to hear your feedback. Thanks! -Allison
